Cold Drip

With a cold-drip extraction over a ten hour period, followed by a minimum of 3 days of aging, we are able to bring out the more subtle flavour characteristics of our single origin, Chiang Mai coffee. The result is a strong, dynamic coffee with a smooth finish.

Extracting coffee cold also allows eliminates most of the bitter oils that are typically found in heat extracted coffee, making cold drip easier on both the palate and digestive system. Have it here or take it home - or both!

THAILAND, CHIANG MAI | ITDP - HUNTER'S BREW
